### RACE FEEDBACK

---

Kangaroo Point Cycling Club would like to thank all riders and supporters at the 2011 Upperlimb.com Cunningham Classic.

This year's race was one of the fastest on record with a strong tail wind creating memorable racing conditions, and an average speed of approximately 43km/h for the for Elite A winner.

We'd like to acknowledge the outstanding behaviour of all riders on the course this year, with feedback from all commissaries during the race extremely positive. The Queensland Police Service has also written commending riders and the club for respecting road rules and creating safe race conditions.

We're proud of the race that we deliver, and we're pleased to share with you some of the feedback that we've received from this year's event:

- *"I can see why this is a must do race, and will definitely be back again at some stage. Well done to Kangaroo Point, top notch event."*
- *"I couldn't believe how slick this event was run, even from the online entry system on CQ website."*
- *"The two potential issues at 24km and 34km were handled well and presented no issues as my group came through without any real interruption to racing, as soon as my group was able to break away there was a support vehicle straight in behind us."*

- *"The whole day ran like clockwork and the assistance provided by everyone from Police, SES and club members was outstanding."*
- *"15 minutes after crossing the finish line I had already made up my mind to be back (again) next year! So please thank everyone for their efforts and see you all in 2012".*
- *"It was VERY well and highly professionally run."*
- *"I wanted to write and congratulate the efforts of today's race. This is the first time I've been part of it and I was impressed with the organisation of the race."*
- *"Best race of the year with loads of tradition."*
- *"Cunningham Classic is Brisbane's Premier 1 day cycling event."*
