

# 2010 UPPERLIMB.COM Cunningham Classic

**Kangaroo Point Cycling Club**

**Saturday 7th August, 2010**

**Lake Apex Drive, Gatton**

---

## Welcome

---

On behalf of the Kangaroo Point Cycling Club, we welcome all competitors and supporters to the **28th Annual Cunningham Classic** cycle race. We trust that you will have an enjoyable day and look forward to presenting a race that is safe, fair and competitive.

---

## Officials

---

Chief Commissaire: Greg Vincent.

Principle Commissaires: Geoff Rynne & Isobel Evans.

---

## Safety

---

Riders **must** follow all Queensland road rules during the race. Failure to do so may result in a **fine** by race officials or police and riders may be **disqualified**.

In the interests of safety for both riders and motorists, and **to comply with the Department of Main Roads and Police Permits** we ask that no rider support vehicles follow the race. It is therefore required that **all vehicles** from the Gatton start leave the area **before 9.30am**.

Vehicles are permitted to proceed to the top of the mountain for the King of the Mountain line (approx 41km), the drinks and feeding stations or the finish line in Warwick. Competitors are encouraged to leave warm-up clothing etc with their race groups' official vehicle.

Drivers of vehicles following the race will be **warned and/or fined** by the police and their rider may be **disqualified**.

For safety reasons there will be **absolutely no parking** near the finish line. This area will be controlled by the SES whose directions must be obeyed. Victoria Street will be closed intermittently to traffic as each group finishes.

Thankyou, we appreciate your co-operation in assisting with the duty of care to maintain the safety of our riders and other road users.

---

## Drink and Feed Stations

---

**All competitors** leaving Gatton (*except Elite A Grade*) can take on drinks at the designated drinks station only. This is at Pilton Hall approximately 8km after the King of the Mountain.

**Elite A Grade Men** have two feed stations. The first is approximately 2km after the Clifton turnoff (62km from start). The second is 10km before Allora on Dalrymple Creek Road (approx 132km from start). As some of the roads are narrow and to avoid traffic congestion, it is requested that once riders have been fed at the first feed station that the riders support personnel return to the New England Highway and proceed to Allora. 2km from turning into Allora Rd, turn right into Dalrymple Creek Road and travel for 10km to the second feed station.

---

## Race Numbers

---

Each rider will receive two race numbers. One is to be pinned on the jersey pockets in the centre and the other to the side at the lower left rib cage.

We encourage competitors to keep their race numbers as a souvenir of the event.

---

## Under 19 roll outs

---

Junior Under 19s are required to meet their specified roll out requirement of 7.93 metres.

---

## **Electronic Communications**

No electronic communication devices are allowed in individual events in Queensland including this race. This is not a teams event.

## **Women's Racing**

Women will race with men, combined in an appropriate division and compete for the same overall places in that division. Women may also be eligible for "unplaced women's" prizes as indicated in the details for each division.

## **Claiming Race Places**

Riders are requested to claim their places at the finish line following each race.

Race places may include 1st to 5th place overall, 1st place Medfin King of the Mountain, and unplaced Women. Detailed information is provided on each start list.

## **Presentations and Prize Draw**

The official presentation will be held as soon as possible after completion of the last race at the Horse & Jockey Hotel/Motel two blocks from the finish on Victoria Street. Lunch, snacks and drinks are available at this venue.

We have a large range of fantastic prizes to win in our random prize draw for all competitors in attendance at the presentation ceremony.

## **Thank-you**

We wish to thank the following people for helping to make the 2010 Upperlimb.com Cunningham Classic take place and for protecting the safety of the riders:
